Dear Crafters & Artists:

Westby Syttende Mai invites you to participate in our 42st Annual Arts & Crafts Show in May, 2010.

Book your space now for Saturday and Sunday, May 15 & 16, 2010!

To ensure proper tent spacing and availability, we must ask that all applications and payments arrive by a deadline date of April 19, 2010.

When we receive your application with payment, you will be assigned a booth space, (remember, first come-first serve). A confirmation letter will be sent with set up/tear down information and your space number. Your canceled check is your receipt. There will be security provided for Saturday night; however, if you set up on Friday night, there will be no security. You set up on Friday at your own risk. Syttende Mai looks forward to your participation.
